LILA about me ÇETINKAYA

HELLO!

I'm Lila ÇETINKAYA, an Industrial Engineering student. I combine my technical knowledge and analytical thinking skills with my passion for digital marketing, continuously developing data-driven strategies. I have expertise in SEO, social media management, content creation, and data analytics, and I thoroughly enjoy applying this knowledge in my projects.

My professional goal is to integrate my technical skills and digital marketing knowledge to add value to brands and businesses. With a commitment to continuous learning and growth, I stay updated with the latest trends and technologies in digital marketing. My interests include entrepreneurship, data analytics, social media strategies, and content marketing. I am excited to collaborate and create new projects together.
